

American Legion Post 39 December, 2014, Newsletter

From the Commander's Desk,

Fellow Post 39 Legionnaires,

Well, believe it or not, this is the last Newsletter for year 2014.

Obviously, we had a great and fun year, because it sure went by in a hurry. Remember to re-new your Military ID card before Jan. I did mine yesterday. For those utilizing the McGuire VA Hospital, in Richmond, you should have received your Veterans Choice Card this week. Once you register and meet the eligibility requirements, then you can under the directions and approval, use it to obtain care for your immediate health care needs, locally. If you received your card, please read the material that came with, it very carefully and thoroughly. This does not replace your present VA ID Card; keep it as you will still need it to check in at clinics, etc.

Look forward to seeing all at our Christmas Party next week, Dec 15th, at Rocco's. Dinner is \$15 per person, \$30 per couple. Party starts at 6:00 pm; don't forget to bring your gift to participate in the Yankee gift exchange?

Ann & I would like to wish all, a very Merry Christmas and a joyous New Year. Let 2015 be a great year for all, and may the Lord hold his countenance upon us all and give us peace from this day forward.

Commander Bill
